

The Network website provides information on your [MBA](#) or [Specialty Masters](#) program here at Smith. What truly defines the Smith experience are the many opportunities for learning, growing and achieving that exist beyond the classroom.

You can connect with fellow students online using [My Network](#) or in person by joining a [Smith club](#). Participate throughout the year in networking events, resume reviews, industry speakers, high school mentoring programs, forums, intramural sports and happy hours.

In the Life @ Smith section of the site, we encourage you to learn more about your [home campus](#) and the [departments](#) available to help you during your time at Smith. You can also find [financial information](#) and [tools & resources](#) that will provide more detail on your Smith experience.
