Resources for International Students

International students are welcome at the Robert H. Smith School of Business! Below are resources available to support international students.

[International Students & Scholar Services \(ISSS\)](#) - ISSS staff members--located in 3109 Susquehanna Hall--are the primary points of contact to advise students on immigration requirements; they also offer resources and activities:

- [First Year Success Series](#)
- [University of Maryland ESOL Conversation Program](#)

[English Skills Resources](#) - A comprehensive list of online resources, compiled by Maryland English Institute faculty, to assist students who want to improve their English skills.

[University of Maryland Graduate School English Editing for International Graduate Students \(EEIGS\) Program](#) - An online service that allows students to submit papers electronically as Word documents and editors respond using the "track changes" feature in Word.

[Counseling Center, Learning Assistance Service](#) - Periodically offer Academic Support Group for International Graduate Students

[Purdue Online Writing Lab \(OWL\)](#) - A comprehensive resource for English as a Second Language (ESL) students in second language writing, including links to OWL workshops and exercises useful for ESL students, and links to ESL resources on the Internet.
