Cannabis Remains Prohibited On-Campus and at University-Sponsored Activities

Effective July 1, 2023, Maryland state law permitted the personal possession and use of cannabis under certain circumstances for persons over 21 years of age.

However, as required by federal law, UMD's policy on cannabis will not change. Notably, the possession and use of cannabis in all forms remains prohibited on all UMD premises and at University-sponsored activities.

For more information, read the complete [UMD cannabis policy and FAQ](#).
