WELCOME TO NETWORTH

Networth is your student portal to information about your program here at Smith. You can find information about advising, class registration, events, graduation, and a whole lot more.
All graduates students at the Robert H. Smith School of Business used the New Student Section of the site, during the admissions process. This area contained a condensed version of the site, specifically geared towards new students. After orientation finishes you will begin using the regular Networth website, specifically your program homepage.
ACCESSING YOUR PROGRAM HOMEPAGE

As current students, you will find most of the information you need on your program homepage. There are two ways that you can access your program’s homepage. The first way is to click the appropriate link in the right menu of the homepage of Networth. The second option is on the top menu bar, which is displayed on all the pages of the Networth site (except the Welcome area). Clicking MBA or Specialty Masters will take you to a list of programs, from which you can select your program.
YOUR PROGRAM HOMEPAGE

The program homepage contains all information related to your program. You can find upcoming events and announcements in the main area (1) of the homepage. On the left side of the page (2) are links that will take you to information related specifically to your program, such as curriculum and registration information. On the right side (3) of the front page are quick links that will take you to important sites outside of Networth.
NAVIGATING NETWORTH

You can return to the Networth homepage by clicking the Robert H. Smith/Networth logo (1) on the top of every page. You can also navigate to previous pages using the breadcrumb links (2) on the top of most pages. You can print, email, or save a pdf version of most pages by using the corresponding icons (3) on the top right of most pages. Finally, the footer (4) of most pages on the site allow you to navigate through the main menu options, provide quick access to popular pages, or provide a login link for My Networth.
LOGGING INTO MY NETWORTH

Clicking the My Networth icon on the frontpage of the site or in the footer of every page will take you to the My Networth log in screen. Here you can enter your Directory ID and password to log in. Your Directory ID is the same user name that you use to log into Testudo. If you don’t know your Directory ID or password you can click the “Don’t know your password” link.
YOUR MY NETWORTH PROFILE

Upon logging in, you will be taken to your My Networth profile. Your profile will contain quick links (1) that will take you to your programs homepage and other pages housed within that site. Initially, your profile will be empty. Your profile photo will be uploaded for you after we take our pictures during orientation. However, you can edit information about yourself by clicking the Edit link (2) on your profile. To view other student's profiles, click the Smith Profiles link (3) in the side menu.
SEARCHING NETWORTH PROFILES

You can search through the Smith Profiles to find information about your classmates. This is useful if you are interested in working for a company and want to see if any of your classmates were or are employed there. Or if you met someone during orientation and can’t quite remember their full name but know their program and first name. You can use these search filters (1) to enter criteria to search (2) for. Smith profiles are not open to the public and only current Smith students and Smith staff have access to the profiles.

EDIT YOUR MY NETWORTH PROFILE (STEP 1)

After you log in to the Networth website (page 6), you can edit the information you display on you're my Networth profile. To begin, click the edit button on your profile.
EDIT YOUR MY NETWORTH PROFILE (STEP 2)

After clicking edit, you can cycle through the tabs (1) and enter any information that you would like to share. Click Save (2) once you are done making edits and your information will be stored for your classmates to see.

One thing to note, your professional pictures will be uploaded for you during Orientation.
LOGGING OUT OF MY NETWORTH

You can log out of My Networth in one of two ways. First, you can go to http://networth.rhsmith.umd.edu/user/logout. Or you can click the logout link (1) in the black bar that appears when you first log in. Once you are logged out you will be taken back to the Networth homepage.
QUESTIONS? COMMENTS?

Please contact Suran De Silva at sdesilva@rhsmith.umd.edu or 301-405-7095 with any questions or comments that you have in regards to the Networth website.
